EASIEST HOME COVID TEST TO USE

OraSure IntelliSwab COVID-19 Rapid Antigen Test

\$18 AT WALMART

CREDIT: WALMART

InteliSwab is so simple to use. Just insert the applicator into your nostril, take a sample, dip it into solution, and wait for your test results—they'll appear on the applicator. IntelliSwab [says](#) its test identified 84 percent of positive samples in clinical trials, and 98 percent of negative samples.
